

HPE NonStop Technical Boot Camp 2020

THE NONSTOP TECHNICAL BOOT CAMP 2020

This year, it's an all digital experience!

No travel No masks No risk

An all new digital experience, all about NonStop

November 16th – 18th, 2020

International virtual events with mirrored agendas in the following locations:

California, USA

EUROPE by GTUG

Tokyo, JAPAN

Mexico City, Mexico

Singapore and Asia

To register for the TBC go to the Registration link:

<https://www.nonstoptbc.com/>

For information on Partner Sponsorships go to:

<https://www.nonstoptbc.com/2020-sponsorship-opportunities>

This event is free for NonStop customers, HPE employees and NonStop Partners attending to view scheduled talks.

NonStop Partners who would like to have a virtual “booth” and give talks at the event can do so by helping to sponsor the event.

Go to the Sponsorship link above for more details.

Just some of what you can expect

November 16th – 18th, 2020

- LIVE talks on all aspects of NonStop from hardware to software by experts
- A large on-demand library where you can play or replay talks and demos at your leisure
- Panel sessions with NonStop experts to answer your questions
- Developer chats – talk directly to the people who made and support the product
- Find out what's new with your favorite partner company
- Connect with your friends and contacts in virtual chat rooms

Technical translation to local languages in some geographies
